

Beaver Report - 2020/2021

Well what a strange year. Who knew it would be over a whole year before we came back to face to face Scouting face scouting.

As a section we choose to only do badge work and it was a opt in/opt out choice.

Most Beaver scouts completed at least 1-2 badges so well done to the Beavers and the parents for their support during this difficult period.

One Beaver scout went above and beyond and managed to earn his Chief Scout Award so a huge well done.

When we returned we had 3 Beavers as all the others had moved on to Cubs, however, on the first night we had a total of 9 which has increased further and we now have a waiting list as we are now full.

All our meetings have been outside so we have been completing many outdoor skills along with badge work. Who knew how hard it was to make a daisy chain? Clearly some leaders need more practise!

Our theme this term has been plants, from finding seeds to planting them and making our own pots. We've also been thinking about how they travel by air, how they get dropped by birds etc, and the need for water.

We have also enjoyed a viaduct walk, making living flower vases, fire lighting from matches to flint and steel and the joy of s'mores which seemed to go down extremely well! All the above has been done whatever the weather so well done to all.

I would just like to say a huge thank you to everyone who has helped out during the last 12 months, especially Sharon my assistant leader, David for answering all email questions (and there were many!), Rob for all my OSM queries & last but not least to the parents for helping your Beavers through their badge work.

We are looking forward to fun activities in the coming year

Sarah Rosser
Beaver Scout Leader
